## **CST Memorial Plaque FAQ's**

Losing a loved one is one of the life's most difficult trials. While the loved one lives on in our own personal memories, some of us seek ways to honor this person with a tangible memorial. At CST, we now offer a space for a beautiful memorial for our loved ones.

The following list of Frequently Asked Questions provides information necessary for your consideration to partake in the mitzvah of giving Tzedakah in memory of departed loved ones.

**Q:** Where are these memorial boards located?

**A:** Two beautiful, custom-created Memorial Board units were installed on the North and South walls in our Main Sanctuary.

**Q:** Can you describe the memorials?

**A:** Our Memorial Boards are designed in order by Hebrew month. For each month Yizkor is recited, the unit will be lit. During our Yizkor holidays, all months will be illuminated.

**Q:** What information will be on the plaques?

**A:** Each plaque will accommodate the name of one person (in Hebrew and in English) along with his/her yahrzeit date (also in Hebrew and in English).

**Q:** What is the cost for each plaque?

**A:** Plaques will be available for a donation by members (or by non CST members in memory of deceased CST members) of \$270 per plaque, which includes the plaque, foundry, engraving, shipping and installation costs. Plaques will also be available for purchase by non-members for a donation of \$540. Prices may change in the future.

**Q:** Can I select which board or the location of a newly purchased plaque?

**A:** All plaques are placed by Hebrew Yahrzeit in chronological order.
