COVID-19 Concerns

Religious School Parents,

During this time, it is important to be cautious, especially after the summer and the children are excited to see one another. It is wonderful seeing everyone, but we need to take precautions.

Basic expectations to attend school at CST:

- If your child has a temperature above 99.4 degrees within the previous 24 hours, or your child is coughing, sneezing or with a runny nose, including any additional symptoms listed on the CDC website, please keep them home: <https://www.cdc.gov/coronavirus/2019-ncov/index.html>
- If your child will be staying at home, email Brenda Freedman at educationdirector@shaareytefilla.org or call (317) 260-1225 (cell) to let us know that your child will not be attending religious school. We will try to do something for your child so that they can participate.
- Upon arrival, your child will have their temperature taken; if their temperature is more than 99.4 degrees, they will need to go home.
- Parents must promptly drop-off and pick-up their students at the designated time. Please stay in your car in a line in front of CST.

Students will be expected to:

- Wear their masks during the duration of school.
- Adhere to at least 4-foot spacing between students.
- Use a hand sanitizer upon entry to the building.
- Bring a bottle of water or grab a CST-provided water bottle as the drinking fountain will not be available for use.

Classroom information:

- Mrs. Goldstein will be using the small chapel/multi-purpose room.
- Ms. Allen will be using the social hall.
- Mr. Calili will be using the library.
