CONGREGATION SHAAREY TEFILLA CONDEMNS ANTISEMITIC VANDALISM OF THEIR SYNAGOGUE

CARMEL, IN—Today Congregation Shaarey Tefilla is comforted by the outpouring of community and interfaith support being shown to the Jewish community of Carmel and greater Indianapolis, following the discovery of two large, painted Nazi flags on our campus.

The following is attributed to Shaarey Tefilla Rabbi Benjamin Sendrow:

“We are deeply disappointed in the horrific vandalism that occurred at our Congregation,”

“Intolerance, hatred, and violent acts against Jews are significant realities today. The response to this heinous act affirms that America is collectively outraged at these hateful acts in our neighborhoods.”

Congregation Shaarey Tefilla is working with law enforcement as they continue their investigation and thanks the community for the continued messages, kind words and prayers.
